Satic Shield Multi-Layer Insulation

Maximize Heating and Cooling Efficiency

Green building is not just a trend, but the wave of the future, as more and more homeowners and builders demand energy efficient homes and products. Satic Shield is designed for maximum energy savings and low cost installation.

Satic Shield has proven it saves more on heating and cooling than regular insulation.

- Drastically Cuts Your Heating/Cooling Bill
- Qualifies for Energy Efficiency Tax Credit
- Space Age Thermal Protection
- Virtually No Heat or Cold Transfer
- Safe Non-Toxic Materials
- Breathes and Won't Trap Moisture
- Installs Easily Over Existing Insulation
